### By Captain Nick Nash

Having sailed this region many times, I'm convinced it offers some of the most enjoyable locales you'll find anywhere. Like so many of the places Princess Cruises® visits, the British Isles captivates visitors with an unforgettable combination of natural beauty, fascinating culture and colorful history.

During this amazing 12-day cruise, you'll see the best and most beautiful sites in the British Isles. You'll encounter fairytale castles, where the history and lore date back millennia. You'll also have the opportunity to enjoy the awe-inspiring landscapes that are abundant in this region and visit centuries-old churches that will give you a look into the days of this region's storied past.

Our journey begins with a visit to St. Peter Port, the capital of the British isle of Guernsey. Just a few miles from the coast of France, this island features a coastline sprinkled with centuries-old castles and forts. Inland, you'll find the charming Little Chapel of Guernsey, nearly a hundred years old and decorated with a mosaic of pebbles, shells and colorful broken china. Or tour the 13th-century Castle Cornet, today home to several museums including the island's Maritime Museum.

After heading ashore, why not explore Royal Princess even further? I recommend heading up to the top deck and enjoying the ocean vistas from the SeaWalk®, our glass-floored promenade that extends 28 feet beyond the edge of the ship. Or grab a drink with a view at the unique SeaView Bar. No matter how many times you've sailed with Princess Cruises, I hope you enjoy your time onboard!

As Captain of Royal Princess®, I'm honored to be your host and look forward to seeing you dressed to the nines at the Champagne Waterfall Reception in the Piazza tonight.

### From the Navigator

On arrival in St. Peter Port we will approach our anchorage position and prepare the ship's tenders. Once on the anchorage position we will let go our anchor and lower the ship's tenders in the water. On departure with all passengers and crew on board we will pick up our anchor and once ship's tenders and anchor secured for sea passage we will resume our track towards our next port of call Cobh (Cork).

### Tendering Ashore

When you and your complete party are ready to go ashore, please proceed to the **Symphony Dining Room on Deck 5 Midship** from 7:15am onwards. The Cruise Director's Staff will issue tender tickets and direct you to the tender boats as they become available. Tender ticket numbers will be announced in the dining room only. Passengers on tours will meet at the time and location indicated on your Tour Ticket.

Please do remember that not everyone can go ashore at the same time and there will be delays during peak times, therefore we ask that you plan your day accordingly. We thank you for your understanding in this matter.

### Passport Collection Notice

Due to administrative and immigration procedures for our call in Cobh, Ireland, we are required to collect and present guest passports for nationalities not part of the European Union. Your stateroom steward will collect your passport today between 8:00am to 10:00am. Please leave the passport on the bed in your stateroom before going to Breakfast. If you are not present in your stateroom during this time, a receipt will be left on the vanity desk. All passports will then be returned to passengers on the evening of Cobh.

### Foreign Currency Exchange

Save time ashore, prepare in advance... Bank currency machines are located at the deck 4 midships (central) elevator lobby. Machines accept US \$ bills and cash notes from other countries for exchange into Euros (for the Euro zone- Cobh/Cork & Dublin). Another machine dispenses UK Pounds for the United Kingdom (Liverpool, Belfast/Ireland, Greenock/Glasgow & Southampton/London). The bank machines can also buy back bills / notes (not coins) for exchange back to US \$.
